WHY SHOULD YOU ATTEND?

The TGCSA staff needs your help to educate legislators about your issues. Bills passed in the legislature can make or break your business! Nothing makes a greater impact on a legislator than an in-person visit from a constituent employer.

We encourage TGCSA members to send company representatives. TGCSA will make appointments with *your* Senator and Representative.

FREE REGISTRATION

Please complete the registration form below and return it to TGCSA. Be sure to complete all information for those attending.

This event is not exclusively for retailers. We encourage wholesalers, manufacturers and suppliers to attend. Many pieces of legislation affect the entire food distribution system and it is important that all members strengthen relationships with legislators by attending.

Please complete the attached registration form including the names of your legislators. TGCSA will set your appointments for you!

LEGISLATIVE VISITS

Making an appointment and not attending would negatively impact the association's legislative work. Please make every effort to honor these appointments.

Please note the Cordell Hull Building is new and this is a different location than used in previous years.
